

BUFFALO CITY CEMETERY

POLICIES & RATES

- City of Buffalo City must be notified at least 3 weekdays before any burial.
- Plots will not be dug in weather below 15 degrees. Every effort will be made to accommodate families and dig plots in a timely fashion.
- All flowers (fake or real) or any other items must ONLY be placed on the concrete foundations. Flower stands, shepherd's hooks and other stakes will be allowed immediately adjacent to the concrete foundations. Items placed off the stone or those that are blown off stones regularly will be removed. Winter flowers and decorations must be removed by March 1st of each year. Summer flowers and decorations must be removed by October 1st of each year. Any remaining after those dates will be removed and discarded.
- Buffalo City Cemetery requires a suitable outer-burial container for all in earth burials and either a non-bio degradable container or an urn vault for all burials of cremains.
